(Comment from couple who recently attended a Retrouvaille weekend)

We had been separated for 4 months. The anger and pain we felt, was showing up in our children. We heard about Retrouvaille. We agreed to give our family another chance. It sure couldn't make anything worse. We reconnected on the weekend and we are now working the program to help other couples who are hurting make the weekend!

(This "thank you" card came from the child of this couple)
