Toledo

Located in central Spain, Toledo is 70 KM south of Madrid. Once the capital city of Spain, Toledo is a world Heritage City. This walled city is known for their trademark Toledan products like swords, jewelry, lace and embroidery

Santiago de Compostela

Located in Northern Spain is a UNESCO World Heritage City. It is a pilgrimage city and was the "European City of Culture" in 1998. The city's cathedral is the focal point. It was built in honor of the apostle, St. James where according to legend, his remains were discovered.
